RE: Made in USA

All of our Certified Mill Test Reports (CMTR) state in the top right corner the following, “100% Melted and Manufactured in U.S.A”. In other words, “All Nucor-Yamato Steel products are furnished as domestic products and are melted, cast and rolled in the United States of America.”

We trust that this information will answer your questions regarding the origin of the material provided by Nucor-Yamato Steel. If we can be of any further assistance, please feel free to contact us.
